

FANTASY COLLECTION

A whole world of unique fantasy for an exclusive design which unites graphic elements with free-hand design and even tattoo art and cartoon themes. There are full-colour, saturated vectors and throwbacks to a fifties' atmosphere, but also old school drawings and dreamy themes from a circus world, made up of characters balanced between pure design lines and backgrounds. Fantasy is a theatrical wallpaper, for different moods and styles that satisfy a variety of needs. Every environment, or wall is enriched by a story, and is inspired by graphic elements studied for living rooms or bedroom areas, or even workshops or halls.
