2017 COLLECTION

Shading and clean colours, geometrical shapes and artistic inspiration, totally modern images and images from the past: the 2017 collection is a trip around the world and its ancestral history, with the mingling of urban and natural elements. Icons of magical cities, retro patterns, animal styles, tropical flora, ancient lands; but also abstract lines, geometrical skylines, regular forms and pastel colours: these are the prime movers in the 2017 wallpaper collection; a union of the past and the world of today, the metropolis and nature.
